## Earth Day Crossword Puzzle

### ACROSS

- 2 To become smaller in size, number, extent, degree, or intensity, or make something smaller in this way
- 6 The use of something again, often for a different purpose and usually as an alternative to throwing it out
- 7 Exploiting natural resources without destroying the ecological balance of an area
- 8 To process used or waste material so that it can be used again

### DOWN

- 1 The ordinary people in a community or the ordinary members of an organization, as opposed to the leadership
- 3 The natural world, especially when it is regarded as being at risk from the harmful influences of human activities
- 4 Having knowledge of something from having observed it or been told about it
- 5 The celebration of a holiday or event or action
